at New York University  
1009 Fifth Avenue  
New York 28, N. Y.

Dear Mrs. Hliddal:

Enclosed are copies of the scripts for three of the first four programs on the 1963-1964 Standard School Broadcast series "I Am an American." The script for program #2 ("George Washington") will not be completed in time for us to discuss at our luncheon on Wednesday, July 31st, but it will follow within the next few weeks.

I should very much appreciate it if someone could check these for accuracy and advise us of any discrepancy in the factual content. Each has been carefully researched, through a variety of reliable sources, then cross-checked when writing was completed. When dates or events were vague, the date decided upon was that which most authorities set forth as accurate. The descriptions of events were finalized in the same manner. In all cases, we have tried not to differ with the thumbnail descriptions given in your Hall of Fame handbook.

In that I shall be leaving New York for Williamsburg, Virginia, on the evening of the day our luncheon is held, I should very much like to be able to discuss these scripts with you at that meeting.

Kindest regards,

Cordially,

Adrian F. Michaelis, Coordinator
